Littlegreen Academy's Vision

Our vision is that all pupils at Littlegreen Academy will grow to be confident adults who communicate well, so that they can live healthy, happy, and successful lives.

The foundation of all our endeavours in everything we do.

Class of the Week: Butser Class

Butser class have had a great Autumn term so far.

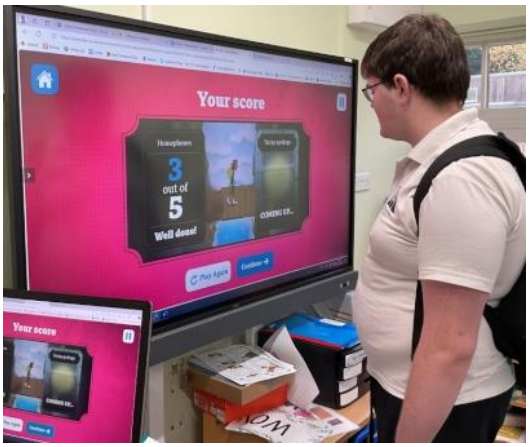
At Chichester College on Mondays, we have been exploring the site and getting used to the busy world of college. We have been making sure our cards (for buying lunch and entrance to the college) are working and what to do if they are not. The food hall is huge and can be confusing, however we are getting used to it.

We are all confident and mature enough to travel seamlessly to Chichester by foot, bus or train and even if we are delayed, we let our teachers know where we are by ringing or texting the hub mobile.

We have been learning about the different types of drugs in Preparation for Adulthood, investigating legalities and effects.

All pupils are enjoying their Technical Skills Days on a Tuesday at Chichester College, and Crimsham Farm and Brinsbury College on a Friday. They have been making new friends and some have met up at the weekends!

Butser class have also been enjoying walks around the Chichester area and we are looking forward to our trip to the Portsmouth Historical dockyard where we will visit the Warrior and HMS Alliance and go for a boat trip across Portsmouth Harbour.



Forthcoming Events

29th November- Tree Decorating

2nd December- Inset Day

12th December- Christmas Jumper Day

19th December- Christmas Lunch

20th December- Last Day of Term (1pm Finish)

Subject of the Week: Humanities

This term, Humanities has been packed with engaging activities and learning!

In lower school, pupils have been delving into the fascinating history of castles, complemented by an exciting trip to Portchester Castle. Elm class has been exploring the topic of settlements in Geography, asking the question, "what do people need?".

In KS3, pupils have begun a captivating study on weather and climate, focusing on the extreme weather phenomena we experience around the world. Meanwhile, in KS4, pupils have embarked on their history accreditation, exploring the fascinating themes of crime and punishment, in addition to learning about Britain in times of peace and war.

Exciting trips are also on the horizon for all groups! The lower school are looking forward to a visit to the Weald and Downland Museum, while the upper school are planning an adventure for after Christmas.

Value of the Week

Riley from Harting class has shown **ambition** in maths by consistently challenging himself.

Bailey from Kingley class for has shown **ambition** by visiting Northbrook College at the weekend.

Lloyd from Bignor class has shown **ambition** with his maths work.

Jayden from Willow class has shown fantastic **ambition** and skills when managing his feelings on his first trip to Littlegreen.

Boaz from Butser class has shown **ambition** when completing his morning tasks.

Corinthian from Butser class has shown **ambition** when planning a bus trip.

Lenny from Butser class has shown **ambition** by working on GCSE maths questions.

Martin from Butser class has shown **ambition** by using his words to explain how he is feeling.

Albie from Ash class has been **ambitious** with his story writing.

Shaping Portsmouth

Part of the Shaping Portsmouth Project involves introducing pupils to the Portsmouth Historic Dockyard, especially the Mary Rose Museum, to inspire them with the items we are currently working on in our DT lessons and beyond. It was a successful trip that highlighted the importance of local history and its influence on our creative venture.

epraise

Congratulations to our top point scorers of the week:

Hayden from Willow class for lower school

Adam from Kingley class for upper school
