Weekly Newsletter: Date 13th December 2024

Littlegreen Academy's Vision

Our vision is that all pupils at Littlegreen Academy will grow to be confident adults who communicate well, so that they can live healthy, happy, and successful lives.
The foundation of all our endeavours in everything we do.

Class of The Week: ELM

Elm has had a fantastic Autumn term! The class has successfully navigated the term and bonded well as a team. They have particularly enjoyed their trips, including trips to QE Park, where they had fun traversing down the hill together and sharing lots of games of manhunt in the woods. Another highlight was their visit to Porchester Castle, where they admired the stunning views from the very top. A standout memory for everyone was the epic snow day, where they all played outside together, creating unforgettable moments of joy and laughter. These shared experiences have not only been memorable but have also helped strengthen their sense of community and friendship.

Value of the Week

For Kingley class Harry has been nominated for **Accepting** all the help and support which is available at both school and college

Bailey in Beacon class has shown **Acceptance** when learning the rules about the use of technology in school.

Riley and Oscar have both shown Acceptance for Harting class with their listening skills and **Acceptance** of changes occurring around them.

Jacob from Elm class has been Demonstrating his **Acceptance** to his piers around school

Noah from Ash class has been nominating for being **Accepting** of others this week and making positive choices

epraise

Congratulations to our top point scorers of the week:

Tyler from Elm class for lower school

Forthcoming Events

19th December- Pupil and staff Christmas Lunch

20th December- Last day of term, 1 pm finish

6th January- Inset Day

Subject of The Week: Food Tech

What a fantastic start to the new academic year; the kitchen is as busy and as popular as ever!

We have welcomed the new Harting Class to the upper school and have produced some tasty dishes, including meals from their Mexican cuisine unit of work where they prepared and cooked some delicious chilli-con-carne and spicy meatballs.

Upper school have begun their Italian cuisine unit of work by creating their own pizzas - we have even been fortunate enough to witness pupils twirling and tossing pizza dough above their heads, just like you would see in Rome. We have also had pupils showing the school values in our cooking lessons by helping their peers with reading recipes and helping to weigh ingredients.

December is a hive of activity in the kitchen, pupils are making food for our Christmas fair, including gingerbread people, mince pies and Christmas cupcakes that was very carefully created and decorated by Kai and Riley from Halnaker.

Kai and Riley have enjoyed making sausage rolls and brownies for staff to buy during their intervention. The money at the end of term or academic year, going towards pupil rewards.

Message from the Governors

I am Sarah and a Parent Governor with Littlegreen Academy Committee, I share a parent's perspective at Governor meetings. I am the Link Governor for Health and Safety and Careers Education. I have no previous experience in either education or Governance roles, but full training has been provided and I am given lots of ongoing support by staff across the school and Trust. My background is as a Planning Officer, more recently I've taken a dramatic career change which has led me to working in Police Custody! There is currently a vacancy for another Parent Governor; the work is less than you might think, and the meetings are more fun than you might expect - I promise you! Contact school if you are interested in joining the Academy Committee for the school.

Parent coffee meetings are now in Chichester, making them far easier to get to. It's a great way to meet others which I know is very hard to do.

I hope everyone has a really fun Christmas and personally I have lots of fingers crossed for snow!
