Littlegreen Academy's Vision

Our vision is that all pupils at Littlegreen Academy will grow to be confident adults who communicate well, so that they can live healthy, happy, and successful lives.

The foundation of all our endeavours in everything we do.

Class of The Week: Halnaker Class

It is hard to believe that we are already 3 weeks into the Spring term!

In Maths, we have been diligently working on fractions. Although it has been a challenge to get our brains engaged on these cold, gloomy mornings, we are making steady progress.

In English, we have been reading the book 'Wild Lives', which features fascinating stories about remarkable animals that have made history. Our favourite story so far is about Pickles, a black and white collie dog famous for his role in finding the stolen Jules Rimet Trophy in March 1966, just four months before the 1966 FIFA World Cup kicked off in England.

Alongside our English and Maths lessons, we have been enjoying local walks and discovering new class games. Rummikub remains a favourite, but our latest favourite is the game Mafia, which has a similar premise to 'The Traitors'. Let's just say the class has no problem "eliminating" each other! This game has really tested our skills in figuring out who might be bluffing, and we are getting better with each round.

Inset Day Update

Tuesday 22nd July 2025 will be a staff professional development day, school and college will be closed to pupils on this day.

The last day of the summer term for pupils will now be on Monday 21st July 2025, with pupils finishing at 1pm.

Forthcoming Events

10th – 14th February- National Apprenticeship Week

17th – 21st February- Half Term

24th February- Pupils Return to School

3rd – 7th March- National Careers Week

Subject of the Week: Lower School Forest School

In Forest School we have been **courageous** by braving the cold weather and picking up where we left off in December, building both our physical and inter-personal skills.

In line with this term's topic, Ash class have been exploring crafts from around the world and have started making and using their own paint to create cave paintings. It was lovely to see the pupils **persevering** with grating chalk and charcoal before creating their own designs.

Oak class have enjoyed spending time with some of our KS4 pupils who have been keen to show off their Forest School skills and have shown real **kindness** towards our younger pupils.

Some members of Elm class have been working on their wood chopping skills, whilst others have enjoyed to opportunity to test their ability to run and hide. The whole class showed great **acceptance** when asked to take it in turns to test out some daringly positioned hammocks.

Willow class have, as always, been keen to cook and try new foods alongside working on their social skills and engaging in some complicated role-play.
Thay have also enjoyed investigating some army rations and made an **ambitious** attempt to start the fire using the weatherproof matches.

Value of the Week

Oliver from Ash class has been **persevering** with his learning and creating the most amazing PowerPoint for topic!

Riley R from Halnaker class has **persevered** with his learning.

Bobby B from Willow class has demonstrated great **perseverance** in his learning and behaviour.

Ryan from Harting class has shown **perseverance** in all aspects of his learning in lessons.

Harrison from Oak class has been **persevering** with his learning and work in class.

epraise

Congratulations to our top point scorers of the week:

Hayden from Willow class for lower school

Tristan from Harting class for upper school
