Littlegreen Academy's Vision

Our vision is that all pupils at Littlegreen Academy will grow to be confident adults who communicate well, so that they can live healthy, happy, and successful lives.

The foundation of all our endeavours in everything we do.

Class of The Week: Bignor Class

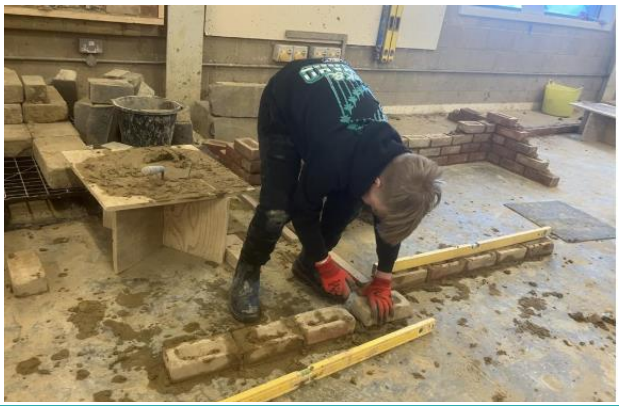
Bignor Class have had an excellent start to the new year since returning from the Christmas break.

In Maths, the class have been focusing on how they are able to apply what they have been learning to real life scenarios, ranging from calculating their shopping bills to assessing bank statements at the end of each month.

In English, pupils have turned their attention to diary and narrative writing in the role of themselves. So far, we have had diary entries from pupils witnessing favourite football teams winning trophies, pupils scoring the winning goal of a cup final and even a diary entry of a school evacuation. Pupils have really harnessed their creativity and have produced some fantastic pieces of writing.

For the remainder of the term, pupils are going to focus on turning their diary entries into third person narratives to meet even more writing objectives.

Outside of the school, pupils continue to work hard during their college TSD days. Reports back from college are full of positivity for our construction workers, who have been building some impressive brick walls, and our motor vehicle mechanics have also excelled in their theory and practical assessments.



Forthcoming Events

Work Experience

Work experience has been going extremely well this academic year for our key stage 4 pupils.

This week, Kingley class has a successful day on placement at a Residential Care Home in Bognor Regis.

We are so proud of the pupils for showing immense **kindness** to the staff and residents, **ambition** to step into the world of work, and the **courage** to try something new.

Adam from Kingley class has been **accepting** of advice from all the adults around him.

Jamie from Beacon class has been **accepting** of the structure of the school day.

Ryan from Harting class has been **accepting** of change to his lunchtime routine.

Harrison, Cooper, Callum T, Callum C, Franky and Hayden from Bignor class have been **accepting** of their new learning, especially in History and Science.

Albie from Ash class has been **accepting** of those around him and of listening to the advice and opinions of others.
