Littlegreen Academy's Vision

Our vision is that all pupils at Littlegreen Academy will grow to be confident adults who communicate well, so that they can live healthy, happy, and successful lives.

The foundation of all our endeavours in everything we do.

Class of The Week: Oak Class

Oak Class have had such a brilliant spring term so far.

We have been working hard on our independent writing this week and have been busy using our 'All About Me' boxes as inspiration for our writing. We are now beginning to develop characters and decide which direction our writing is going to go in – Joe is writing an in-depth character profile!

Our weekly trips to Fort Purbrook have been great fun this term and we have really displayed our school values during these trips – facing fears, trying our best and working as a team.

This half term we will be learning about different cultures from around the world and this week we really enjoyed learning all about Japan, even learning to say some Japanese phrases!

As the weather has been better this week, we have loved taking some of our learning outside and particularly enjoyed practicing relaxation techniques in the sunshine during our communication and interaction lesson.

Last week, Brandon took part in Littlegreen's Got Talent – he stunned the whole school, performing in both lower school and upper school's assembly, it was amazing!

Forthcoming Events

21st March- Comic Relief (Red Nose Day) – Wear a Hat for a £1 donation

4th April- Last Day of Term (1pm Finish)

7th April – 21st April- Easter Holidays

22nd April- Pupils Return to School

Careers Week

We have had a fantastic careers week at Littlegreen!

Pupils from upper school and lower school had an exciting opportunity to visit Chichester College for STEMFEST—a day packed with hands-on activities and discovery. From fingerprint analysis to maggot racing, they explored the fascinating world of science, technology, engineering, and maths in the most fun and interactive ways!

On Wednesday pupils had a fantastic opportunity to explore life beyond 16 at our careers workshop. They met professionals from industries like construction, logistics, and tree surgery, gaining valuable insights into each field and the pathways to achieve their career goals.

We love working with professionals and industry experts to showcase the incredible talent of our pupils. Our visitors today were absolutely amazed by the manners, behaviour and enthusiasm of Littlegreen pupils!

Value of the Week

Damian from Beacon class has **persevered** with cutting down on his screen time.

Finley from Harting class has **persevered** through any challenge he has faced in the past few weeks.

Alfie N from Elm class and Bobby C from Willow class showed **perseverance** by continuing to try the activities at the STEM event at Chichester college, even though they found it tricky.

Theo from Ash class has **persevered** even when he finds things frustrating, especially with maths!

epraise

Congratulations to our top point scorers of the week:

Bobbey-John from Oak class for lower school

Tristan from Harting class for upper school

Holiday Activities and Food (HAF) Programme – Easter booking procedures

Bookings for the Easter holidays will open on **Monday 3 March 2025**. All HAF bookings need to be made using our online booking system.

Booking page link: https://haf.bookinglab.co.uk/westsussex/37147/login

Alternatively, you can find the booking system by scanning the QR code below or by following the links on our website.

Website link: www.westsussex.gov.uk/HAF

Before making a booking, you will need to either, log into your account or, create one using your child's existing HAF code. This is the same code you will have used to book your HAF place previously. If you have recently registered for benefits related free school meals, you will find your HAF code on the award letter sent to you by the Free School Meal team. You may be able to find your HAF code by asking your child's school office or alternatively contact us on haf@westsussex.gov.uk

HAF eligible children will be able to book the following amount of sessions;

Easter – 4 sessions
Summer – 16 sessions
Winter – 4 sessions

These sessions will remain free of charge if you are accessing benefits related free school meals. Each session will include a free nutritious meal.
