Littlegreen Academy's Vision

Our vision is that all pupils at Littlegreen Academy will grow to be confident adults who communicate well, so that they can live healthy, happy and successful lives.

The foundation of all our endeavours in everything we do.

Class of the Week: Oak

Oak Class have had such a brilliant Summer Term so far.

We have come back from Half Term so well and really persevered despite being very tired! We have enjoyed settling back into the school routine by making playdough and playing games together.

In English this week, the class have written some fantastic poems. We have learnt about different types of poems and explored the features of haikus and acrostic poems - Bobbey-John's haiku about croissants was inspired!

We were lucky enough to visit Chichester Gymnastics Academy, where we had an amazing time exploring the apparatus and testing our strength and flexibility.

This Half Term we will be learning about oceans and the creatures that live there. We are going to create ocean canvases over the next few weeks as we learn more and more about the big blue!

We are looking forward to the weather improving and spending lots of time outside and we hope to plan some exciting trips as we get closer to the end of the year.

Forthcoming Events:

16th June – Inset Day

19th June – Parents' Evening

3rd July – Sports Day

Subject of the Week: PE

The start of the Summer Term saw lots of activity out on our back lawn with a huge focus on all things cricket. Pupils from across the school took part in cricket sessions in their PE lessons, mastering their bowling and batting skills. We were also fortunate to welcome Nick from Sussex Cricket, who continues to provide expert coaching to our pupils every Friday.

Away from Littlegreen our pupils have enjoyed the warmer weather and have taken full advantage of our outdoor adventurous activities, whether that be out on the lake kayaking, or scaling new heights on obstacle courses at Queen Elizabeth Country Park.

We are looking forward to some new exciting activities this half term, with gymnastics and swimming to name a few. Back on site, we prepare ourselves for Sports Day, with pupils developing their understanding and skills of all things athletics. Please remember the date for our Sports Day this year, July 3rd. More information will be given out nearer the time – we look forward to welcoming you back.

Value of the Week:

Brennan from Halnaker class has **persevered** with travelling to college independently.

Callum from Harting class has **persevered** with communicating his needs.

William from Kingley class has been **persevering** with his exam revision both at school and at home.

Finley from Willow class has **persevered** with drawing and colouring, which he has done for the first time since he started at Littlegreen.

Harrison from Oak class has **persevered** with his learning and in making good choices.

Rufus from Ash class has shown great **perseverance** with his reading.

epraise

Congratulations to our top point scorers of the week:
Upper school – Tristan from Harting Class
Lower school - Reuben from Ash Class
