Littlegreen Academy's Vision

Our vision is that all pupils at Littlegreen Academy will grow to be confident adults who communicate well, so that they can live healthy, happy and successful lives.

The foundation of all our endeavours in everything we do.

Ash Class have had a phenomenal year. They have demonstrated all of Littlegreen's values and have learnt what it means to be a good friend along the way. We have finished the year on a high with some great trips including one to the beach, the Lido and Sky Park Farm! Thank you, Ash Class, for all the laughs and memories we have created along the way. Have a brilliant Summer break, you've earned it!

Oak class have had an amazing year! We have grown together as a class and had lots of fun along the way! From accepting new friends, persevering in our learning and being courageous in trying new things and exploring the world, we have enjoyed our year together and are looking forward to the next!

This summer term has been a truly enjoyable one for the **Elm class**, filled with memorable experiences and exciting learning opportunities. A highlight was their fantastic trip to Paultons Park, where laughter and adventure brought everyone closer together. It has been a pleasure to see the class grow and shine in so many ways.

As **Willow Class** comes to the end of their time at Lower School, we could not be prouder of all they have achieved. They have shown remarkable resilience, maturity, and enthusiasm throughout the year. It has been a joy to watch them grow both academically and personally. We wish them all the very best as some of the class move on to Upper School – they leave with our warmest congratulations and heartfelt good wishes.

Beacon class has had a fantastic year full of curiosity, creativity, and growth. From mastering new challenges to celebrating our achievements together, we have built a strong community of learners. We are proud of all we have accomplished and excited for what is next!

Harting class have had fantastic year! We have been courageous and ambitious with our sleepover, accepting to new pupils and staff and persevered through managing big emotions. Well done, Harting.

As we come to the end of this academic year, we reflect on the memorable trips and experiences we have had in **Halnaker class**. We are marking the conclusion of the year with a class picnic at Compton Rec that we have planned and prepared together. Halnaker class is looking forward to the holidays and returning to the start their +14 courses at college in September.

Bignor class have enjoyed a successful year with all pupils making progress across the curriculum as well as hitting their individual targets. They have all worked hard in previous weeks in preparation for their Year 11 journey to begin and we are sure that they will do themselves proud.

Butser class have had an amazing year with all the pupils maturing greatly. They have been incredible on their TSD courses which are going really well at Chichester College. They have all been managing to get to and from college without much of a problem and switching from "School" days to "College" days with more calmness. In School, the pupils have spent increasing time in their classroom and as such are producing more interesting and varied work.

ELSA Summer Term Update

As another academic year draws to a close, one notable thing for me is that this is the first year I have said goodbye to a Year 11 Pupil who I started out with as his Teaching Assistant, 7 years ago! The inevitable attachment that grows between pupils and staff is really felt in these significant moments as they leave us to embark on the next stage of life. The Leaver's assembly was a wonderful celebration of their lives at Littlegreen and how much they have accomplished in that time. The next chapter may be daunting, and the uncertainty of what lies ahead can be challenging. A Year 11 pupil, who left us last year, was feeling very anxious about life after Littlegreen, but the joy of receiving an email from him halfway through this academic year, hearing how he is flourishing, is testament to what can be achieved despite the uncertainty. Embracing change is, ultimately, about recognizing that it's a constant in life and choosing to navigate it with an open mind and a positive attitude is key. The only thing a person can ever really do is keep moving forward; take that big leap without hesitation, without looking back, and find doors will open, and new beginnings will commence. On that note, I wish you all a very relaxing summer break and, as ever, a big thank you to all the ELSA pupils who make my job so very worthwhile! Kate (ELSA)
