Littlegreen Academy's Vision

Our vision is that all pupils at Littlegreen Academy will grow to be confident adults who communicate well, so that they can live healthy, happy, and successful lives.

The foundation of all our endeavours in everything we do.

Class of the Week: Harting Class

Harting class have had a fantastic start to the year. They have made us proud by displaying all of the values throughout their lessons and around school.

In English, pupils have all shown great **ambition** and **courage** in their diary writing and included some excellent rhetorical questions!

During our real-life Maths investigations, pupils have shown great **perseverance** in place value and have put their Maths skills to the test.

Harting class have shown **kindness** and **acceptance** towards each other during morning tutor sessions, especially when playing games.

Our PE sessions have been a huge success, with pupils trying their best during kayaking and at Queen Elizabeth Country Park.

Forthcoming Events

15th October- Flu Vaccinations

24th October – TimesTables Rockstars Day (Dress as a Rockstar!)

28th October – 1st November- Half Term

11th November- Remembrance Day

Subject of the Week: Computing

This year, in Computing, has started with a bang! We started by reminding ourselves of being safe online when we are using our different devices and playing online games.

Key Stage 3 and 4 have been learning about skills that are required in work related situations. They are working towards accreditations in AQA Microsoft Word and Publisher. They have been cutting and pasting documents and information from Wikipedia on their chosen interest. They have been creating tables of information, changing fonts including highlighting, italics and bold, typography, using paragraph indents, inserting hyperlinks- the list goes on.

We have also started using robots and looking at different ways of programming them. From using manual blocks to make a robot move forwards and backwards, changing direction, directing through a set course of squares, making music and dancing when the course has been finished. There has been lots of debugging (fixing errors) and lots of laughter.

The pupils have been resilient, hardworking, and willing to take a chance. Does it matter if we make a mistake? NOOOOO!

Pupils have shown all of our school values through their work. They have been ***ambitious*** in their tasks, showing ***kindness*** when working together, being ***courageous*** enough to take a chance and they have ***persevered*** if there were bugs to fix. Well done everyone!

Value of the Week

Harry from Kingley class has shown **ambition** by thinking about his future- he would like to work as a TA in Special Needs when he is older.

Leo from Harting class has shown **ambition** in kayaking. He managed to get in one and do the whole session!

Tristan from Harting class has shown **ambition** in his Science work.

Alfie from Oak class has shown **ambition** in story writing in English.

Martin and Lenny from Butser class have shown **ambition** with independent writing in English.

Riley from Halnaker class has been **ambitious** with his learning.

Reuben from Ash class has shown great **ambition** and **perseverance** by taking part in the sponsored walk and raising £157.50!
