Littlegreen Academy's Vision

Our vision is that all pupils at Littlegreen Academy will grow to be confident adults who communicate well, so that they can live healthy, happy, and successful lives.

The foundation of all our endeavours in everything we do.

Class of the Week: Kingley Class

As part of their ASDAN Sport and Leisure qualification, Kingley class have organised a trip to the local museum. The pupils were given the choice of four different museums and voted to visit the D Day Museum at Southsea, by train. As a class, we had to look at train timetables to decide which train to catch in order to be at the museum by 11am and which train to catch in order to be back in Chichester by 3pm.

After meeting at Chichester College, we were able to walk to Chichester Train Station, buy our tickets and catch the train to Portsmouth Harbour.
We then walked for 35 minutes along Southsea Seafront to reach the museum at 10.55.

The pupils then enjoyed looking around at the museum and were amazed to see guns, flags, tanks and uniforms all dating back to 1944. William and Adam were so impressed that they decided to go around again! Harry and Lewis really enjoyed playing with the anti-aircraft guns positioned on the landing craft.

The pupils really enjoyed planning and organising this day out and are already asking if they can plan another one soon!

Subject of the Week: Music

It is an exciting time to be a musician here at Littlegreen Academy!

Preparations for our first annual "Festival on the Green" have begun and will be sure to provide exciting new performance opportunities for our young learners this coming May (special guest performance to be announced so watch this space!).

Music and lyrics have proven to be an invaluable outlet for creativity and therapy time and time again and this year has been no exception. Brennan and Franky brought the house down at our remembrance assembly with their heartfelt performance, commemorating our fallen heroes of war and believe me when I say, there was not a dry eye in the house.

Louie (our Resident Rapper) and Anna (Music Therapist) continue to do a sterling job of providing top-notch musical tutelage throughout the school and we are very grateful for their service!

Value of the Week

Riley from Beacon class is consistently **kind** to others.

Adam from Kingley class showed **kindness** by sharing his snacks on a class trip.

Ryan from Harting class showed **kindness** by welcoming a pupil to the class.

Bobby C from Willow class has shown exceptional **kindness** to his classmates and staff, creating a supportive and positive atmosphere in our classroom.
