Littlegreen Academy's Vision

Our vision is that all pupils at Littlegreen Academy will grow to be confident adults who communicate well, so that they can live healthy, happy, and successful lives.

The foundation of all our endeavours in everything we do.

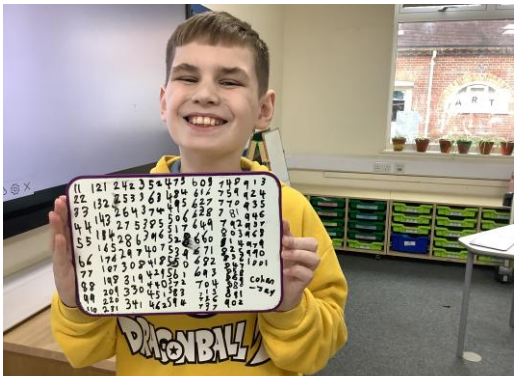
Class of The Week: Oak

This term, in English, we have enjoyed reading Ten Word Tales – lots of stories that only have 10 words. The class have created their own tales and illustrated them. We also extended them into fantastic stories. We are now getting in to the Christmas spirit by writing our own versions of the 12 Days of Christmas.

We have needed a lot of perseverance in maths this half term as we have been putting our times table skills to the test, learning and practicing times tables up to 12s! All the pupils have been working hard.

We have been fortunate to visit Fort Purbrook and enjoyed the strategy and communication in laser tag and tested our initiative in some problem-solving activities.

We have enjoyed the Autumn term and are looking forward to the last two weeks of term and all the fun things that we have planned!



Forthcoming Events

10th December- Coffee Morning- 11 am at Boston Tea Party

12th December- Christmas Jumper Day.

Christmas fair and pop- up Café.

18th December- School Christmas Lunch (wear Christmas jumper)

19th December- Last day of term- 1pm finish

Subject of The Week: PE

Littlegreen have had a great start to PE this academic year. We have enjoyed lots of onsite and offsite PE activities. Both lower school and upper school have made a really great effort to participate in all PE activities. From archery to boxing, everyone has found something they have enjoyed.

Some of upper school have started Offsite PE at Fort Purbrook with archery and target practice; they have really enjoyed learning to perfect their aim and focus on their hand-eye coordination skills, keeping a steady hand the whole time. Some of lower school have also visited the fort, for laser tag. These has been a thrilling experience for pupils and they have enjoyed working as a team to tag each other. All pupils have shown the Littlegreen values in all offsite PE lessons.

All pupils in the school took part in a sponsored walk, arranged by Kingley class. Pupils walked all the way from the top of west Marden back to school. They all participated and we are very proud!

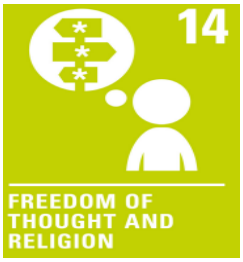
Onsite PE has involved, football, badminton, boxing and much more. The pupils have enjoyed playing football against one another and are hoping to start a football team where they can play against other schools. Boxing has been great for pupils to learn a new skills and work on their stamina and patience.

Pupils and staff are looking forward to more PE both at Littlegreen and offsite, we are planning for more offsite activities and getting all pupils involved in something physical they enjoy!

Right of the Week

Freedom of thought and religion

Children can choose their own thoughts, opinions and religion, but this should not stop other people from enjoying their rights. Parents can guide children so that as they grow up, they learn to properly use this right.



ePraise

Congratulations to our top point scorers of the week:

Jayden from Halnaker class for upper school

Alfie from Willow class for lower school

Leo from Beacon class has shown **courage** for working hard to reintegrate into the school day.

Jackson from Ash class has shown **courage** by accepting advice.
