Littlegreen Academy's Vision

Our vision is that all pupils at Littlegreen Academy will grow to be confident adults who communicate well, so that they can live healthy, happy, and successful lives.

The foundation of all our endeavours in everything we do.

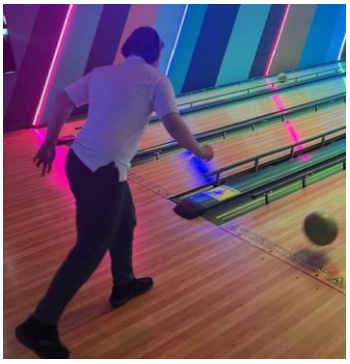
Class of The Week: Halnaker

Halnaker class has settled in well this term and are showing a fantastic attitude to learning. In maths, they have been tackling long multiplication with determination and focus. The pupils have approached this challenge in a **courageous** and **ambitious** way, demonstrating our school values by **persevering** even when the learning felt tricky.

In English, Halnaker class have been especially creative. They have enjoyed writing alternative endings to well-known stories, using their imagination while still respecting the original characters and plots. The pupils have shown great **acceptance** of each other's ideas, sharing suggestions and celebrating different outcomes.

In Character and Culture, we have been learning about other cultures and beliefs, including Buddhism. The pupils have shown a real interest in this topic, asking thoughtful questions and demonstrating respect and curiosity about different ways of life, especially the Shaolin Monks.

Across the curriculum, Halnaker class is working hard to show **kindness** towards one another. We are very proud of how well they have settled and the positive way they live out our school values every day.



Forthcoming Events

16th – 20th February Spring Half term

2nd – 6th March- Careers Week

30th March – 10th April- Easter Holidays

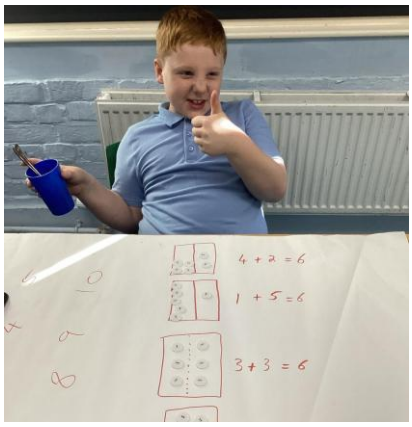
13th April- Inset Day

Subject of The Week: Maths

A number of lower school pupils have been taking part in a maths intervention programme, aiming at making them become more fluent mathematicians.

Reggie has been working extremely hard so that he is able to recognise all the number bonds to ten. Dexter has enjoyed the challenge of using different apparatus to help him recognise which pairs of numbers can add up to make ten and twenty. Ethan has been working hard to create maths problems based on using four different numbers that will always give an answer of thirty.

All pupils have worked hard in their interventions and Ethan has even started to use his time to teach Dexter how to play number bond games on the class iboard.



Value of the Week

Hayden from Beacon class **persevered** with getting his vaccinations this week.

All of Bignor class have been **persevering** through tricky times and showing each other a tremendous amount of kindness.

Harrison from Halnaker class has really **persevered** with his challenging maths work. He is trying very hard with his home learning as well as in school.

Eddy from Kingley class has been **persevering** by continuing to make progress while enjoying the company of everyone in Kingley.

Right of the Week

Every child who cannot be looked after by their own family has the right to be looked after properly by people who respect the child's religion, culture, language and other aspects of their life.

ePraise

Congratulations to our top point scorers of the week:

Tristan from Halnaker class for upper school

George from Willow class for lower school
