## Littlegreen Academy's Vision

**Our vision is that all pupils at Littlegreen Academy will grow to be confident adults who communicate well, so that they can live healthy, happy, and successful lives.**

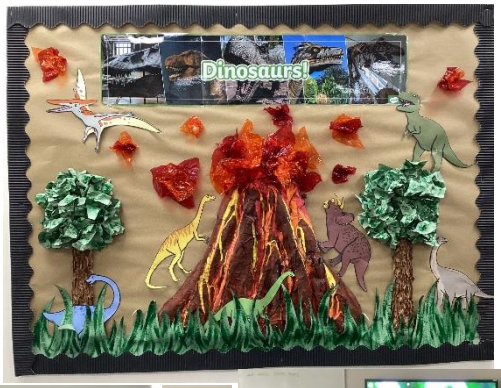
The foundation of all our endeavours in everything we do.

### Class of The Week: Ash

Ash Class have had an exceptionally productive first week back. We have embraced our school values and met challenges head on. We are getting to know each other and have settled in well to classroom routines and have been busy exploring the school site. Our learning has got off to a great start, in English we have been very creative and have been busy making dragon claws using salt dough along with our won scrapbooks. We have looked at friendship and focused on which values can make us a good friend. We all agreed that someone who makes you smile, and giggle is a must!

Our topic for this term is 'Back to the Future.' We will be looking at Dinosaurs and how they roamed the earth then we are going to take a giant leap into the future and look at Robots and AI. This term topic is going to be child- led, we will learn about the things the pupils want to know about. It is going to be an adventure and one which we are very excited about!

Finally, Ash Class have worked hard in all that they do. They have persevered when they have found things hard and felt like giving up. They have been full of ambition for both themselves and others. They have demonstrated great kindness by helping each other with the things they find tricky. They have been courageous when meeting classmates and making new friends. Most of all they are learning to be accepting of each other, and we are incredibly proud of them for that. Well done Ash Class, we are going to have an amazing year!



### Forthcoming Events

25th September: Flu vaccinations

29th September: Chichester college inset day

3rd October: Harvest festival

10th October: Mental health day

27th-31st October Half term

## What do Friday's look like at Littlegreen?

### Character and culture

We want all pupils to: Know their Rights as a child/young person.

- Treat others with respect and for others in turn to treat them with respect.
- Make a difference to the Rights of others in school, local community and wider world.

We will be learning about: Rights of the Child: **About, For and Through**

The United Nations Convention on the Rights of the Child is an important agreement by countries who have promised to protect children's rights.

We believe everyone should know about the special rights of children, because children often need help from adults to get their rights and to be able to use them.

### How will it look?

Lesson 1 and 2 - **Teaching & Learning about Rights -** Pupils learn about their Rights using Picture News, Class Meetings, Newsround and assembly.

Lesson 3 and 4 - **Teaching & Learning for Rights -** Pupils take Action to gain an understanding of social justice and local/global issues.

Lesson 5 - **Teaching & Learning through Rights -** Pupils develop their Rights in the classroom and around the school in Community Choices.

This weeks right is **Respect for childrens views**. Children have the right to give their opinions freely on issues that affect them. Adults should listen and take children seriously.

## Value of the Week: Ambition

Kingley class have all been nominated by Greg for showing Ambition by attending college this week. Well done boys.

Cohan-Jay from Oak class has shown Ambition by starting school and setting goals and already working hard to achieve them.

All of Bignor class have shown Ambition in their attitudes to year 11 and their futures.

Halnaker Have Shown great Ambition this week by showing determination and a positive attitude in all their lessons. Their commitment so early in the term has set a great expectation for the rest of the school year.

Oliver from Elm class has shown great Ambition in returning to school in a new class, engaging in conversation and taking part in topic activity, and always putting his hand up.

Martin, Lenny, Lloyd, Riley and Charlie from Butser have shown great Ambition by attending college and showing eagerness to learn.
