Littlegreen Academy's Vision

Our vision is that all pupils at Littlegreen Academy will grow to be confident adults who communicate well, so that they can live healthy, happy, and successful lives.

The foundation of all our endeavours in everything we do.

Class of The Week: Butser

Butser class have been studying at Chichester college, pupils had a visit from PC Pack who came in and talked about Drugs awareness. The Pupils were amazing and showed Acceptance in discussing a difficult subject. They were Kind and welcoming to PC Pack who also took them through the different types of drugs and what to do if they found themselves in a difficult situation.

We have also been discussing future careers and apprenticeships and have been on a visit to the Sands Project in Worthing. The Sands project helps young adults to learn how to get to grips with work in the service industry including the Bay Café. "The Bay Cafe isn't your typical cafe. The trainees organise and run things." This gives them confidence to be in the "real world." of work and undertake challenges and problem solve while working as a team.

Congratulations to those Pupils who have undertaken their GCSE Mock English language paper. They showed Ambition and resilience during their revision but were a real example to other children undertaking their exams with calmness and maturity. Well done Butser. You are amazing!

Value of the Week – Ambition

All of Bignor class have been nominated for showing great Ambition and attempting their English mock exams. Well done to you all.

Martin, Lloyd and Lenny from Butser class have been nominated for undertaking their GCSE English mock exam. Also for Butser Class: Charlie has been nominated for showing Ambition when working with in English Comprehension work, Bailey for showing Ambition on his TSD day, Riley for showing Ambition when working on Maths GCSE style questions and Jamie for engaging when at school. Well done Butser.

Willow class' George and Alfie have been chosen for showing great Ambition in improving their behaviour and learning.

Forthcoming Events

9-15th February- Children's Mental Health Week

16th – 20th February Spring Half term

2nd – 6th March- Careers Week

30th March – 10th April- Easter Holidays

13th April- Inset Day

Subject of The Week: Food Tech

What a fantastic start to the year; the kitchen is as busy and as popular as ever!

Since the beginning of the year Lower Schools Oak class have cooked every week and always follow the food safety rules, for example washing hands and behaving appropriately within the kitchen environment. The whole class loved to cook together. They all followed the recipe carefully and decorated the cupcakes beautifully, adding frosting and colourful toppings to make them look appealing. Pupils have proudly displayed the school values of ambition in our cooking lessons by helping their peers with reading recipes and weighing out ingredients.

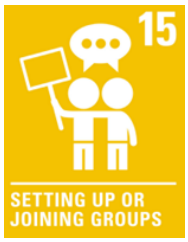
Upper School Pupils in Harting and Beacon Classes have begun their Italian cuisine unit of work by creating their own pizzas - we have even been fortunate enough to observe pupils twirling and tossing pizza dough above their heads, just like you would see in Rome. We have also had pupils demonstrating the school values in our cooking lessons by helping their peers with reading recipes and helping to weigh out ingredients.

Year 10 and 11 pupils have started their food tech options. They independently cooked butter chicken by reading the recipe, starting with slicing and frying the onions, mixing the chicken with spices and used a food temperature probe to ensure it was cooked to the proper internal temperature. This helped them make sure the chicken was safe to eat and cooked perfectly.

Right of the Week

Setting Up Or Joining Groups

Children can join or set up groups or organisations, and they can meet with others, as long as this does not harm other people.



E-Praise

Congratulations to our Highest Point Scorers for this week:

Hayden From Beacon Class for Upper School

Jenson From Oak Class for Lower School
