Littlegreen Academy's Vision

Our vision is that all pupils at Littlegreen Academy will grow to be confident adults who communicate well, so that they can live healthy, happy, and successful lives.

The foundation of all our endeavours in everything we do.

Class of The Week: Ash

Ash Class have had a very busy start to term. We have been **AMBITIOUS** with our writing. In English we have been looking at 'Ten Tiny Tales' where we challenge ourselves to tell a whole story using just ten words. This has formed the basis of our Independent Write. It is trickier than it sounds!

In Topic Pupils have shown great **PERSERVERNCE** exploring 'Routes and Roots' We have had great fun going on walks and visiting local parks using our map skills. We now move on to what grows on the land and how it gets from field to fork. We are very lucky to be surrounded by beautiful farmland so we will be able to see it in action.

Pupils have enjoyed our weekly outings to Fort Purbrook for rock climbing sessions to help to improve our physical fitness. We have been **COURAGEOUS** tackling pieces of equipment we thought looked tricky but have started to overcome our fears and have great fun. We are now looking forward to our gymnastics session for the second half of the term.

Pupils have loved our Thrive sessions this term and linked them to showing **KINDNESS** by taking turns and listening to our friends when taking part in our activities. No Thrive session would be complete without making slime. We have been experimenting and trying out different recipes which we have loved. We are looking forward to taking our sessions outside and exploring nature as the weather improves.

Finally, Ash Class continue to blow us all away with their **ACCEPTANCE** of everyone in our Littlegreen school community. They make us proud every day, well done!

Forthcoming Events

2nd – 6th March- Careers Week

4th March- Role Model Day-)Pupils encouraged to dress as their career role model)

5th March- World Book Day (Pupils encouraged to wear comfy clothes)

30th March – 10th April- Easter Holidays

13th April- Inset Day

Subject of The Week: Lower School Forest School

The woods at Littlegreen Academy are a constantly evolving space with the pupils loving to create their own special places and inventing their own uses for the items they find there. This term Willow Class rediscovered an old washing machine drum which has occupied various spots in the woods over the last few years. The pupils decided to use it as a firepit, quickly progressing from an experimental fire, through to boiling the kettle and finally once they had worked it out, how to keep it level. This Ambition led to them cooking their own lunch on it.

Across all classes pupils have really grown in confidence this term, asking questions, exploring more and coming up with their own ideas. Ash Class have impressed with their Kindness, they have been especially good at sharing resources, turn taking and creating shared spaces. The pupils from Oak Class have shown great Perseverance with their fire building skills and craft projects, their willingness to give and receive advice and work together is lovely to see. Elm Class have showed Acceptance of the changes to staffing within their class and have done a great job of giving tours of the woods and introducing our new staff members to Forest School.

Right of the week:

Rest, Play, Culture and Arts

Every child has the right to rest, relax, play and to take part in cultural and creative activities.

E-Praise

Congratulations to our Highest Point Scorers for this week:

Riley From Kingley Class for Upper School

Harrison From Willow Class for Lower School
