Littlegreen Academy's Vision

Our vision is that all pupils at Littlegreen Academy will grow to be confident adults who communicate well, so that they can live healthy, happy, and successful lives.

The foundation of all our endeavours in everything we do.

Class of The Week: Willow

It has been an incredibly busy and productive period for everyone in Willow Class recently. Pupils have thoroughly enjoyed their time in the Great Outdoors, where Pupils demonstrated fantastic resilience while mountain biking and navigating the various challenges of the assault course. Back in the classroom, our creativity has truly shone through as we used plasticine to sculpt wonderful characters from our favourite books, bringing our literary adventures to life in three dimensions. Furthermore, the pupils have been working exceptionally hard to deepen their mathematical knowledge by exploring the complexities of fractions with great focus. It is a pleasure to see the children approaching both their physical and academic challenges with such enthusiasm and a positive attitude

Value of the Week

Leo from Beacon Class has been chosen for his for Kindness and support that he showed to this fellow Pupils involved in the School football match,

Ash Class have chosen Theo for his Kindness and always bringing fun items into school to share with his friends.

Willow Class nominate Alfie B for trying his best to show kindness with staff and classmates.

Riley has been nominated for Kingley class for helping his peers to settle in on his new course at college.

Spring Term ELSA Update

As I type, the sun is out, the birds are at fever pitch with the dawn chorus and flowers are erupting from the banks and verges as we pass by – spring is really here!

Nature can offer us a real antidote to all the things that are a challenge in life elsewhere. It's crescendo but also, its gentle momentum can offer hope but also stability in its selfless repetition. Looking at nature is like holding a mirror up to ourselves, it reflects our emotional states—the "gentle flow of a stream" is peace, while the "thunderstorm" can reflect our own turmoil. Nature is so healing in so many ways; the benefits of immersing ourselves in it can generate many positive emotions, such as calmness, joy, and creativity – all things we benefit from in this busy world of ours.

I hope that the Easter holidays will allow an opportunity for all of our pupils and their families to get out and enjoy the simplicity of spring in all its elements. I wish you a very Happy Easter too.

Very best wishes Kate (ELSA)

Subject of The Week: Talk About and Thrive

At Littlegreen, our Communication and Interaction sessions are all about helping us learn how to talk, listen, and interact with others in a calm, supportive way. They help us learn how to cope with feelings, understand social situations, and resolve problems without things escalating. Thrive is all about giving the confidence and skills to communicate better so life both at school and home feels easier.

Lower School pupils have been learning all about emotions and how to handle different ones, we have worked hard to create our very own sensory ladders which help us communicate things that we need when we are feeling different emotions.

Upper School pupils have been discussing about the fact that when everyone in the school learns to talk and listen kindly, the whole environment feels calmer and friendlier. Pupils start to work out problems more easily because everyone follows the same rules and ways to solve things. This results in school becoming a happier place where it's easier to make friends, feel safe, and enjoy learning.

Right of the week

Freedom Of Thought And Religion

Children can choose their own thoughts, opinions and religion, but this should not stop other people from enjoying their rights. Parents can guide children so that as they grow up, they learn to properly use this right.

E-Praise

Congratulations to our Highest Point Scorers for this week:

Riley From Kingley Class for Upper School

Cohan-Jay From Oak Class for Lower School

Forthcoming Events

27th March- Last day of term 1pm finish

30th March – 10th April- Easter Holidays

13th April- Inset day, school closure for pupils

4th May- Bank holiday- School closure
