Littlegreen Academy's Vision

Our vision is that all pupils at Littlegreen Academy will grow to be confident adults who communicate well, so that they can live healthy, happy, and successful lives.

The foundation of all our endeavours in everything we do.

Class of The Week: Kingley

Kingley Class have been working hard in all aspects of becoming independent as the realisation hits that in just over twelve months they will become school leavers.

We have been spending quite a bit of time out of the classroom practising the skills we need to develop once we have left Littlegreen. These include being able to go into a café, deciding what we want and ordering it at the counter, then finding seats and sharing time eating, drinking and watching the world go by.

We have completed two day trips travelling by train, one to Brighton and one to Southsea. Both have included studying train timetables and deciding on the most suitable trains to catch, going up to the ticket office and buying our own tickets and of course being able to get to places like Brighton Pavillion and Clarence Pier once we get off the train.

Right of the week

Health, Water, Food and Environment

Children have the right to the best healthcare possible, clean water to drink, healthy food and a clean and safe environment to live in. All adults and children should have information about how to stay safe and healthy.

E-Praise

Congratulations to our highest point scorers for this week:

Riley R from Kingley class for upper school

Billy from Willow class for lower school

Subject of The Week: Maths

Littlegreen Maths Puzzles

Challenge Level 1
Pierre has some red and blue cubes.
He has 15 red cubes.
He has 8 more blue cubes than red ones.
How many cubes does he have in total?

Challenge Level 2
A new hotel has 100 rooms.
The decorator needs to put numbers on all the doors.
How many number 1's does he need to buy?

Challenge Level 3
Hannah, Fay and Jo share £60.
Hannah and Fay both receive twice as much as Jo.
How much is Jo's share?

Maths talk

How many can you see?

How did you know?

Is there more than one way to know?

Is there anything else you notice about this picture?

Value of the Week- Kindness

Malaki from Elm has been nominated twice for his continued kindness and patience towards the other pupils in our lunch group. Malaki is always the first to help the younger pupils if they are distressed, shows concern for their wellbeing and will happily support others by collecting meals and puddings from the dining hall.

Corey from Bignor Class has been chosen for showing kindness to himself and accepting help with his accreditations.

Jackson from Ash Class has been chosen for trying really hard to make kind choices.

Kai from Kingley Class is always being Kind to his peers in The Big Club.

Ben from Oak Class has been chosen for how well he has shown Kindness and has been looking after his friends this week.

Lynn, Charlie, Riley, Lenny and Martin have all been nominated from Butser for showing Kindness to each other and all staff members

Forthcoming Events

4th May- Bank holiday- School closure

14th May- GCSEs begin

25th -29th May- Half term

1st June- Pupils return
