Littlegreen Academy's Vision

Our vision is that all pupils at Littlegreen Academy will grow to be confident adults who communicate well, so that they can live healthy, happy, and successful lives.

The foundation of all our endeavours in everything we do.

Class of The Week: Oak

In Oak class we have had a brilliant and busy start to the year!

The whole class have already been demonstrating our school values. They have been accepting of each other, are getting to know all the new faces in class and have been getting to know each other through games and sharing our interests.

In our English lessons, we have been putting our creative skills to the test with artwork and sharing different styles of music. In Maths we have gotten off to a flying start, playing lots of maths games to refresh our knowledge after the summer break.

Oak class have also been showing amazing courage, meeting lots of new staff and taking part in lessons with different teachers around the school including PE and Forest School where we have loved climbing trees.

We have started our topic this term by sharing what we already know about dinosaurs and even creating our own. We are looking forward to learning lots more about dinosaurs and how they lived over the next few weeks.

Oak class

Forthcoming Events

25th September: Flu vaccinations

29th September: Chichester college inset day

3rd October: Harvest festival – Collecting items for the food bank

10th October: World mental health day

Littlegreen Academy

Welcome back to the new academic year! I hope you and your families had a restful and fun summer. It has been wonderful to see our pupils return to school with such positivity and determination, ready to take on the new school year.

We are looking forward to an exciting year ahead, filled not only with learning but also with opportunities to grow in confidence, resilience, wellbeing and fun!

At Littlegreen Academy, our vision is that all pupils will grow to be confident adults who communicate well, so that they can live healthy, happy, and successful lives. This vision drives everything we do, from the way we support learning to the relationships we build every day.

Our dedicated, wonderful and compassionate staff team have worked hard to make sure every pupil feels safe, supported, and valued. Already, we have seen some fantastic moments of learning, kindness, and personal achievement in classrooms and across the school.

One of the things that makes Littlegreen Academy truly special is the strength of our community. Together—staff, pupils, parents, and carers, we create a place where every pupil can thrive, academically, socially and emotionally.

Thank you, as always, for your continued support. I am excited for the year ahead and for all the successes, big and small, that we will celebrate together.

Character and culture:

Right of the week- Name and Nationality

Children must be registered when they are born and given a name which is officially recognized by the government. Children must have a nationality (belong to a country).

E-Praise

Highest point scorer for upper school: Leo from Beacon class

Highest point scorer for lower school: Ethan from Willow class

Value of the Week: Courage

Bobby from Beacon class has shown amazing courage this week by being present and being himself.

Harrison from Halnaker class has shown courage by coming back to the classroom with determination and bravery, taking a positive step towards building his confidence and accessing his learning.

Charlie from Butser class has shown courage by getting the train to college independently.

Bailey from Kingley class has been courageous by spending the whole day with his class at college.

Jacob from Bignor class has shown courage in his participation with his learning and classroom environment.

Jack from Butser class has shown courage by attending college independently.
