Littlegreen Academy's Vision

Our vision is that all pupils at Littlegreen Academy will grow to be confident adults who communicate well, so that they can live healthy, happy, and successful lives.

The foundation of all our endeavours in everything we do.

Class of The Week: Oak class

Oak Class have had such a brilliant Summer Term so far.

Coming to the end of the half term we are very tired but have **Persevered** to the end! We have enjoyed getting out this half term and visiting local parks to enjoy the slightly better weather.

In English this week, we have been working on our own versions of The Barnabus Project. This story is all about being different and unique and how we can work together and help each other to achieve our dreams. The main character is Barnabus, a half mouse, half elephant so the class have created their own hybrid animals for their stories.

We were lucky enough to visit Blue Reef Aquarium in Southsea last week. Oak went along with Ash class and had a brilliant day seeing all the weird and wonderful ocean creatures. The axolotls were a firm favourite, and all pupils enjoyed their ice creams at the end!

We are looking forward to the weather improving and spending lots of time outside and we hope to plan some exciting trips as we get closer to the end of the year.

Forthcoming Events

25th -29th May- Half term

1st June- Pupils return

11th June- Parents evening

2nd July- Sports Day

Subject of The Week: Food Tech

Upper School have had a great year so far, embracing their culinary curriculum with enthusiasm. Their work on Mexican cuisine, homemade burgers and spicy meatballs, shows creativity and teamwork. It is wonderful to see them developing their cooking skills while enjoying the process of creating tasty dishes. Keep up the great work!

The whole of Ash class lower school worked together to make and decorate Easter cupcakes it was such fun for all and a lovely festive experience. Helping each other add decorations not only made the process enjoyable but also encouraged teamwork and sharing. Such activities are wonderful for building friendships and creating lasting memories!

Baking and decorating cupcakes for Red Nose Day was a wonderful way to show support and raise awareness for a great assembly. It was fantastic to see Kai and Riley using their baking skills to contribute to such a meaningful event. Their creativity in decorating cupcakes adds to the fun and spirit of giving, making a positive difference in the community. Well done to everyone involved!

Cooper in Bignor class works independently cooking every week because he loves it, his enthusiasm and confidence in cooking are both excellent skills that will serve him well in the future. Well done Cooper !

Right of the week

Minority, Culture, Language And Religion

Children have the right to use their own language, culture and religion - even if these are not shared by most people in the country where they live.

E-Praise

Congratulations to our highest point scorers for this week:

Oscar from Kingley class for upper school

Dexter P from Elm class for lower school
