Littlegreen Academy's Vision

Our vision is that all pupils at Littlegreen Academy will grow to be confident adults who communicate well, so that they can live healthy, happy, and successful lives.

The foundation of all our endeavours in everything we do.

Subject of The Week: Creative Arts

At our school, the Creative Arts play a vital role in supporting pupils with Social, Emotional and Mental Health (SEMH) needs. Children thrive and love to learn through creative play. The Creative Arts offers various ways of achieving learning and playing in ways that also nurtures the imagination, self-expression, and emotional wellbeing.

Through art, drama, music, and design, pupils are encouraged to explore their creativity while building essential life skills. Creative projects allow them to communicate feelings that may be difficult to express in words, offering both a safe outlet and a sense of achievement.

This half term we have focussed on Graffiti Writing and the boys have excelled at expressing themselves through the medium of Street Art!

Character and Culture:

All children have all these rights, no matter who they are, where they live, what language they speak, what their religion is, what they think, what they look like, if they are a boy or girl, if they have a disability, if they are rich or poor, and no matter who their parents or families are or what their parents or families believe or do.

Forthcoming Events

27th – 31st October Half term week

11th November- Remembrance Day

12th November-Odd Sock Day for friendship week

Class of The Week: Harting

Harting are off to a fantastic start this school year! The pupils have settled well into upper school and are showing great enthusiasm for their learning across a range of subjects.

In Maths, pupils have been working especially hard, focusing on place value and developing their skills in addition and subtraction. In English, we have been exploring instructional writing, and pupils have done a great job learning how to write clear, step-by-step guides. They put their communication skills to the test through a blind fold challenge. Next, we will be moving on to letter writing – a chance to get creative and practice writing with purpose.

Our History lessons have taken us back to the Tudor times, where we have been learning about past monarchs, including the infamous Henry VIII. We have also begun exploring crime and punishment during this fascinating period. The pupils have been particularly engaged with the dramatic differences from today.

We are looking forward to an exciting term ahead.

Value of the Week: Kindness

Albie from Ash Class has consistently shown kindness as well as demonstrating and understanding relationships with his peers this week.

Damian From Beacon has shown Kindness to his class peers and teachers this week. Well done!

Riley R from Kingley class has shown Kindness by inviting his peers to socialise after college.

Brandon from Elm class has demonstrated Kindness by ensuring all his peers feel included throughout the School day.

Ben H from Willow class has been trying very hard to be Kind to the staff and pupils around him.

E-Praise

Top point scorer for Upper school:

Oscar F -Kingley class

Top point scorer for lower school:

Brandon Marsh- Elm class
