Littlegreen Academy's Vision

Our vision is that all pupils at Littlegreen Academy will grow to be confident adults who communicate well, so that they can live healthy, happy, and successful lives.

The foundation of all our endeavours in everything we do.

Class of The Week: Beacon

Pupils in Beacon class have hit the ground running this autumn term, setting a positive tone for the new school year. From the very first week, the classroom has been buzzing with energy, enthusiasm, and a commitment to learning.

Pupil have been working hard, showing resilience and using team work as they settled back into routines. Whether tackling new topics in Maths, diving into creative writing projects, or exploring exciting themes in Science and History, Beacon Class have shown curiosity and determination.

Most impressively, we have been completing our Literacy Daily 5. The pupils of Beacon have been displaying the school values by reading out loud to each other during tutor times.

This is a huge step for our pupils, and it displays a wonderful sense of maturity, setting the scene for term ahead.

Harvest Festival

Thank you to everyone who donated for the Harvest Festival, it was a huge success, showcasing the kindness and care in our community.

Subject of the Week: Food Tech

What a fantastic start to the new academic year; the kitchen is as busy and as popular as ever!

We have welcomed the new Beacon class to the upper school and they have really thrown themselves into this area of their curriculum, producing some tasty dishes along the way, including meals from their Mexican cuisine unit of work where they prepared and cooked some delicious home-made burgers and spicy meatballs.

Harting class have begun their Italian cuisine unit of work by creating their own pizzas - we have even been fortunate enough to witness pupils twirling and tossing pizza dough above their heads, just like you would see in Rome. We have also had pupils showing the school values in our cooking lessons by helping their peers with reading recipes and helping to weigh out ingredients.

Since the beginning of the academic year, Willow class have cooked every week and always follow the food safety rules like washing hands and how to behave within the kitchen environment. The whole class loves to cook together. Pupils in Key Stage 2 and Key Stage 3 have proudly displayed the school values of kindness in our cooking lessons by helping their peers with reading recipes and weighing out ingredients.

Value of the Week: Ambition

Alfie from Beacon class has shown great **ambition** with his reading.

Bobbey-John Handley from Willow class has demonstrated great **ambition** in improving his behaviour and learning.

Harrison from Bignor class consistently shows **ambition** on his technical skills day course at college.

Eddie-Lee from Oak class has shown **ambition** but challenging himself to complete harder and harder jigsaw puzzles.

Jack, Jamie, Charlie, Lloyd, Lenny, Martin and Riley from Buster class have been **ambitious** with their learning.

Riley from Halnaker class has shown great **ambition** by challenging himself with his maths work.

Bradley from Kingley class has shown **ambition** on his college course.

Kian from Ash class has shown **ambition** by trying new experiences.

Right of the Week

Children have the right to use their own language, culture and religion - even if these are not shared by most people in the country where they live.
