Littlegreen Academy's Vision

Our vision is that all pupils at Littlegreen Academy will grow to be confident adults who communicate well, so that they can live healthy, happy, and successful lives.

The foundation of all our endeavours in everything we do.

Class of The Week: Bignor

Autumn term has been a fantastic one for Bignor class, filled with ambition, courage, and positive attitudes across all subjects.

In Maths, pupils have worked incredibly hard, showing real perseverance while tackling past GCSE paper questions. Even when challenges appeared tricky, they kept going, supported one another, and celebrated their progress along the way.

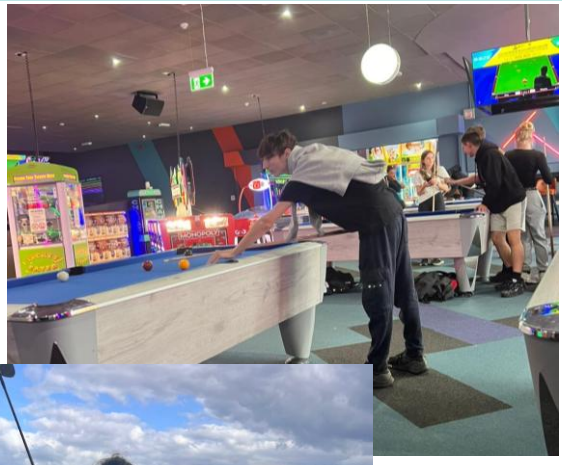
Within English, the focus has been on developing comprehension skills. They all have been digging deeper into texts, working to understand not only what is written, but *why* it has been written that way. They have shown maturity in exploring themes, hidden meanings, and an author's intentions.

Across their option subjects, the class have displayed excellent ambition while working toward their accreditations. Their effort and determination have been clear to see, and they should be very proud of their progress so far.

In PE, everyone has enjoyed time at the driving range and playing football, building both skills and confidence while having fun and staying active.

To finish our history topic of crime and punishment, Bignor class embarked on a courageous and memorable trip to London, where they visited the London Dungeons. Although some pupils were nervous at times, everyone showed kindness, support, and acceptance toward each other. It was a wonderful example of teamwork and courage.

We look forward to more hard work, laughs and adventures this term.



Forthcoming Events

11th November- Remembrance Day

12th November- Odd Socks Day (for Friendship Week)

14th November- Children in Need

20th November- Parents Evening

Subject of the Week: Upper School Forest School

Key Stage 3 – Adventures in Forest School

Pupils in Key Stage 3 have been really enjoying their time in **Forest School** this term — chatting with friends, making dens in the woods, and working on exciting **new woodworking projects**. From crafting wooden traps, to learning how to safely use tools, everyone has shown fantastic teamwork and creativity. It has been wonderful to see pupils learning new skills while having fun outdoors!

Key Stage 4 – Craftsmanship and Conservation

Our Key Stage 4 pupils have been getting hands-on with **woodworking and tool refurbishment**. The aim is to use the tools to create wooden items to sell during our various fairs. We are currently working on small oak bench! All pupils who have chosen Forest school have been enrolled on the **John Muir Award**. They'll be exploring places around the school, discovering more about the environment, and making a positive difference through conservation projects (planting trees etc…). A great blend of practical learning and environmental action.

Value of the Week: Persevere

Hayden from Beacon class has **persevered** consistently with his work.

Jacob from Bignor class has **persevered** with his GCSE maths practice.

Bobbey-John from Willow class has **persevered** with his behaviour strategies.

Riley S, Riley R and Kai from Kingley class have **persevered** with their independent writing this week.

Dexter from Elm class has **persevered** with his learning.

Trey and Luca from Harting class have **persevered** with their learning.

ePraise

Congratulations to our top point scorers of the week:

Jacob from Bignor class for upper school

George from Willow class for lower school
