Littlegreen Academy's Vision

Our vision is that all pupils at Littlegreen Academy will grow to be confident adults who communicate well, so that they can live healthy, happy, and successful lives.

The foundation of all our endeavours in everything we do.

Class of The Week: Kingley

Kingley class have settled in well over the last couple of months and are enjoying the freedom and variety that is on offer when they visit Chichester College twice a week.

On Tuesdays, the pupils take part in their Technical Skills Day (Motor mechanics, Catering, Construction, Sport and Leisure), here they work alongside pupils from different schools.

On Wednesdays their curriculum education takes place at Littlegreen Hub which is based in Chichester College and they study English, Maths and Personal and Social Effectiveness. Being based in Chichester allows us to visit places such as Priory Park, The Walls, The Cathedral as well as a range of supermarkets and shops. This allows us the opportunity to enhance learning by taking it into real world establishments and solving problems and collecting a range of data and information which helps to bring learning to life.

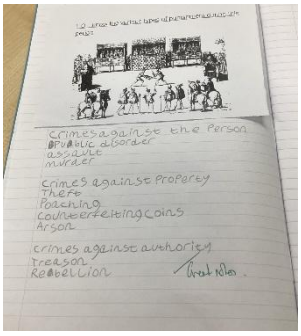
Subject of the Week: Humanities

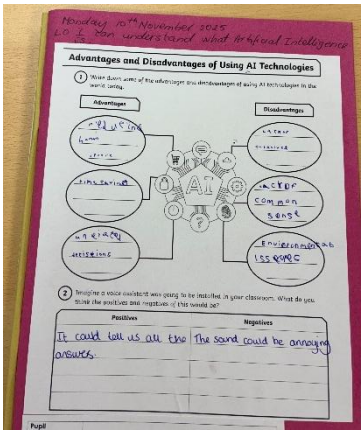
It has been an exciting couple of weeks in Humanities across the school.

Lower School have been learning about the Stone Age and exploring how early humans lived. Pupils have also enjoyed their dinosaur focus, discovering facts about the Brachiosaurus and Baryonyx, going on a Brachiosaurus hunt in the woods, and creating fantastic chalk artwork. This week, pupils have begun exploring **AI**, discussing what it is and how it can help us.

Upper School have been studying crime and punishment through history. Pupils learnt about different types of crimes and the harsh punishments used in the past, taking thoughtful notes and contributing well to discussions.

Well done to all pupils for their enthusiasm and brilliant effort in Humanities.





Value of the Week: Accepting

Kian from Elm class has been **Accepting** of new routines in his class.

Riley and Ryan from Halnaker class have both been **Accepting** and have tackled and completed some hard math work.

Lloyd, Martin, Lenny and Bailey from Butser have all shown **Acceptance** when discussing and looking forward to next years new course options.

Bailey from Butser class has shown amazing **Acceptance** in his new class and settled in well.

Eddy from Kingley class has shown **Acceptance** with his work that he completes at home.

Bobby B from Beacon class has shown **Acceptance** when listening to and following the school rules.

Ben from Willow class has been brilliant this week in **Accepting** adult support this week.
