Littlegreen Academy

SOLENT Academies Trust

Our Vision

Our vision is that all pupils at Littlegreen Academy will grow up to be confident adults who communicate well, so that they can live healthy, happy and successful lives.

Our Values

We are Courageous
We are Accepting
We Persevere
We are Ambitious
We are Kind

Class of the Week: Beacon Class

What a start to the year! Beacon class have come together as a group in a fantastic way. They have all been able to spend more time in the classroom. This has benefitted their learning and ability to communicate in an increasingly mature way.

In English we have been looking at inverted commas and using speech bubbles for conversation writing and using Inverted commas and in Maths we have been practicing place value and are now working on addition and subtraction.

The pupils started their P.E. this year, as September was so warm, swimming at Arundel Lido and playing Golf in Denmead. Thank you to Danielle and Sharna for organising, the pupils have had a blast. We have also been to Queen Elizabeth country park exploring all the different trails and circuit activities.

In Science the pupils have been learning about particles and have made non-Newtonian material which is both a solid and a liquid and we have used mentos chewey mints and coke to show reactions which exploded like a volcano!

In Forest School the pupils have been learning to make handles for axes in safe and sensible way.

Key dates:

Half Term: 19th-30th October 2026
Parents Evening: 24th November 2026

Inset Days:
Monday 16th November 2026
Monday 4th January 2027

Subject of the Week: Food Tech

What a fantastic start to the new academic year; the kitchen is as busy and as popular as ever!

We have welcomed the new Beacon class to the upper school and they have really thrown themselves into this area of their curriculum, producing some tasty dishes along the way, including meals from their Mexican cuisine unit of work where they prepared and cooked some delicious home-made burgers and spicy meatballs.

Since the beginning of the academic year Willow class have cooked every week and always follow the food safety rules, such as washing hands and behaving appropriately within the kitchen environment. The whole class loved to cook together. They followed the recipe carefully and decorated the Halloween cupcakes beautifully, adding frosting and colourful toppings to make them look appealing. Pupils have proudly displayed the school values of courage in our cooking lessons by helping their peers with reading recipes and weighing out ingredients.

KS4 pupils have started their Level 1 Accreditation for Food Hygiene and Safety in food tech options. They independently cook every week, reading the recipe, prepping the ingredients. Chicken stir-fry was one of the options that Riley picked. Starting with slicing chicken and frying the onions, mixing the chicken with spices and used a food temperature probe to ensure it was cooked to the proper internal temperature. This helps them make sure the chicken was safe to eat and cooked perfectly.

In food tech pupils learn essential cooking, food safety, and hygiene skills that enable them to prepare nutritious meals independently throughout their lives.

COURAGE

Value of the Week

Bignor Class
Riley has shown courage by using his words to communicate his feelings.

Beacon Class
Jayden has shown courage by engaging more in school life.

Willow Class
Archie has shown courage when things have been tricky for him.

Willow Class
Harley has consistently shown courage this half term.

Oak Class
Reggie has been courageous in asking for help with his learning.

Elm Class
Being outside can sometimes feel tricky for him, but with the support and encouragement of trusted adults, Oliver has bravely managed to spend periods of time outside. We are so proud of Ollive for challenging himself and showing such courage.

Butser Class
Bobby has shown courage at college despite being the only pupil from Littlegreen on his TSD course.

Butser Class
Hayden has shown courage by voicing his options and trying something new.

Right of the Week

Every child has the right to a name, identity and nationality.

EPRAISE

Upper school highest point scorer of the week : Riley B from Kingley Class

Lower school highest point scorer of the week : Dexter from Willow Class
